Pour l'édition 2007 de notre dossier annuel Handling, nous avons pu compter sur un (énorme) travail de compilation et de collecte d'information réalisé par notre correspondant Luc De Smet, spé-

cialiste ès chariots élévateurs de son état. À nouveau un regret : l'absence de réaction de certains fournisseurs à nos multiples requêtes. Nous avons néanmoins tout mis en œuvre pour vous four-

nir l'information la plus up to date qui soit. Bonne lecture.
